MARTA VIEGAS

PORTOLIO 2024

HI, I AM MARTA!

At 26, I'm a **dynamic digital designer** with a solid background in graphic design from secondary school.

Over the years, I've expanded my range of skills to include **video and animation**, as well as **photography**.

I have a **passion for 3D design** and **recently, in the world of UX/UI**, I'm looking to integrate all my skills to create results that are not only creative and interesting, but also fun.

I'm a very active person, I **love working as part of a team** and I'm always ready to take on new challenges in the world of digital design.
